

RICARDO LARA
CALIFORNIA INSURANCE COMMISSIONER

AMENDED* **BULLETIN 2020-11**

TO: All Admitted and Non-Admitted Insurers Writing Residential Property Insurance in California

FROM: Insurance Commissioner Ricardo Lara

DATE: November 6, 2020

RE: Mandatory Moratorium on Cancellations and Non-Renewals of Policies of Residential Property Insurance After the Declaration of a State of Emergency

***This amendment to Bulletin 2020-11 issued on November 5, 2020 provides additional information regarding ZIP Codes within or adjacent to the fire perimeters for the fires identified in the Governor's various Emergency Declarations discussed herein.**

As enacted by Senate Bill 824 (Lara, Chapter 616, Statutes of 2018) Insurance Code section 675.1, subdivision (b)(1) provides:

"An insurer shall not cancel or refuse to renew a policy of residential property insurance for a property located in any ZIP Code within or adjacent to the fire perimeter, for one year after the declaration of a state of emergency as defined in Section 8558 of the Government Code, based solely on the fact that the insured structure is located in an area in which a wildfire has occurred. This prohibition applies to all policies of residential property insurance in effect at the time of the declared emergency." (Emphasis added.)

Section 675.1, subdivision (d) defines "policy of residential property insurance" as follows:

"...policy residential property insurance" has the meaning described in subdivision (a) of Section 10087." (Emphasis added.)

Section 10087, subdivision (a) provides:

“...**policy of residential property insurance**’ shall mean a policy insuring individually owned residential structures of not more than four dwelling units, individually owned condominium units, or individually owned mobilehomes, and their contents, located in this state and used exclusively for residential purposes or a tenant’s policy insuring personal contents of a residential unit located in this state.” (Emphasis added.)

Accordingly, no admitted or non-admitted insurer shall cancel or non-renew any homeowners, condo unit owners, mobile homeowners, or residential renters insurance policies due to wildfire risk that are located in a ZIP Code identified by this bulletin or any subsequent bulletin as subject to Section 675.1, subdivision (b)(1).

Section 675.1, subdivision (b)(2) further provides:

“...the fire perimeter shall be determined by the Department of Forestry and Fire Protection in consultation with the Office of Emergency Services. The department shall provide the commissioner with data describing the fire perimeter sufficient **for the commissioner to determine which ZIP Codes are within or adjacent to the fire perimeter. The commissioner shall then issue a bulletin to inform insurers which ZIP Codes are subject to this subdivision.**” (Emphasis added.)

The Department of Forestry and Fire Protection, in consultation with the Governor’s Office of Emergency Services, has provided the Commissioner with data identifying the fires that pertain to each state of emergency and describing the fire perimeters and the Commissioner has relied upon that data to determine which ZIP Codes are subject to Section 675.1, subdivision (b)(1).

On August 18, 2020, Governor Gavin Newsom declared a [state of emergency](#) to exist in the entire state of California that incorporates several fires identified below.

On September 6, 2020, Governor Gavin Newsom declared a [state of emergency](#) to exist in Fresno, Madera, and Mariposa counties due to the Creek Fire; in San Bernardino County due to the El Dorado Fire; and in San Diego County due to the Valley Fire.

On September 10, 2020, Governor Gavin Newsom declared a [state of emergency](#) to exist in Siskiyou County.
